MY OLDER BROTHER (Taken from the Guide Text English Please 1, pag. 41, 42)

My name is Santiago. **I think my family is great,** but perhaps my borther is a bit lazy. This is a short description of my brother, Andrés. He is 18 years old, and He is my older brother.

He likes going to stadium to watch soccer matches, as many Colombian people do. When he isn't watching soccer, he spends a lot of time playing it! Mostly he plays with Camila, his best friend. She is an excellent soccer player – even better than him!

He enjoys chatting on his cell phone to his Friends, and especially to his girlfriend. They have been together for two years and they get on really well. Andrés also loves going out with his Friends. When he's not listening to music, he spends most of his time playing video games.

I love my brother, but sometimes I think he really should do more work!
